ton, wool, hides and the products of the country solicited and appreciated. THOMAS H. MURRAY.

PHILADELPHIA LETTER.

FLATREAD PHIL.

-A Court Jester and a Court Journal.

a shareholder of Central and Union ley Mathews and Justice Field to see Pacific railways, more than a that Uncle Rulus, Sidney Dillon and million dollars. He never dreamed the rest are given a full acquittance, of paying. The great Ohio senator The country owes it to Uncle Rules. Thurman, whose seat John Sherman because of his gorgeous generosity to acted; Thurman forcing it through the chieftain, to the court journal, to the senate; Sonset Cox through the house, designed to compet Rufus Hatch and Incongruous congeries of Congers. to pay what they owe. Uncle Rufus vounger members of the Royal in the market. moreover is a lessee of the great gov-ernment Yellowstone park. Then see how he kills two birds with one stone. He induces his friend. Phil Sheridan, doing as well as could be expected in at his own expense of course to take the "president of the United States" in the absence of the illustrious head and figure heads of the imperial courts of the family and and the editor of the Court Journal on a grand triumphal procession drawn es in the baroarie East. Oriental monarchs, and Rome's impe-East. rial masters when journeying through pretty daughter of his imperial majesplundered provinces, used to scatter plundered provinces, used to scatter by Arthur I, is sailing along the New gold along their lines of march; but England coast in a mahogany-lined modern leaders of the human race and gorgeously gilded government pave highways with champagne bot-steamship, the Dispatch, built for the pave highways with champagne bot-tles and whisky kegs. A grave and reverend senator cracks juiclest jokes maintained for this purpose by their and picks the banjo for this lackadais- tariff-plundered subjects. ical Sawney, the so-called "presi-dent(?) of this so-called republic (?)." They have a court jester like Nero's, a royal master of the imperial master's royal master of the imperial master's fishing rods, who is the son of a proud and noble senator whose sons and kinsmen of all degrees fill offices and sinecures throughout the empire. There is a mighty conger-ies of them here in Washington One of the illustrious family, famed mainly for its hatred of Southern fern facts and people, is grand supering with a hot glittering, reduction of the court formula is the precursor of the rollicking grandees and nevil-minded reporter is suffered to write the history of this historical, histrionical, hystdrical trans-continental revelry. Bufus Hatch filled those ice chests and refrigerator cars, for the imperial court, with choicest liquors that were ever cob-webbed in the London docks. Uncle Rufus furnished those magnificent hotels on place, should be taxed to foot the bills of cost. The trifle of a million or so royal master of the imperial master's one of the Mesers. Conger, now the fishing rods, who is the son of a proud and noble senator whose sons and as journalist for the royal household, London docks. Uncle Rufus furnished those magnificent hotels on of cost. The trifle of a million or so furnished those magnificent hotels on wheels, one of them costing, with all its gorgeous trappings and furniture and equipments, a quarter of a million dollars. Rufus Hatch sent out the gilded locomotives; Rufus Hatch dispatched to Yellowstone Park one hundred newspapers men and a gorgeous dred newspaper men and a gorgeous liams, Cuberson and the rest vote for collection of poverty-stricken European noblemen, that social and a sort of kingly dignity might crown vulgar plebians in office with a share of tawdry and blooded respectability.
